

## How's Your VUI?

*(What Do Your Customers Really Hear?)*

**Want a Better Caller Experience?  
A Higher Acceptance Rate?**

***Use a Voice Persona who Speaks Your Brand!***

In fact, we'll bring your speech recognition application to life! And we'll guarantee that same voice talent will be available for your future updates.

- ⇒ All speech files play quickly and concatenate smoothly (we remove all breaths and pauses).
- ⇒ Files are application-ready: validated, named, and in your file format (wav, vox etc.).
- ⇒ Need Spanish, French or Mandarin Chinese? We translate and record 50 languages.

### *Why Marketing Messages?*

- ⇒ Because we do it right. The first time.
- ⇒ Because we meet every deadline, and we guarantee your satisfaction. Every time.
- ⇒ ***Because We Speak Your Brand!***

Marketing Messages is a full service telephony studio, from touch tone prompts in 1984 to today's natural language personas.
