ABOUT MARKETING MESSAGES

Marketing Messages is a full service provider of professionally recorded voice prompts, messages, and narration for call center and web/mobile applications. Our customers employ Voice Branding™ to build brand identity, improve the caller experience, and make websites more compelling. We offer voice services for interactive voice response (IVR), auto attendant, Messages-On-Hold™, E-Learning, and narration for websites, sales presentations, and other voice-enabled applications. Since 1984, Marketing Messages has provided over 100 top quality voice artists spanning 65 languages, highly accurate scripting and editing, and rapid voice file turnaround to more than 3,700 customers –including 200 Fortune 500 companies.
