

Sample Medical Messages-On-Hold Scripts

INTRODUCTION

Messages-On-Hold™ is an effective vehicle for healthcare organizations to promote new medical services and provide information that educates and guides patients. This document provides an example of a Messages-On-Hold™ script for a hospital, as well as a compilation of individual sample messages for a variety of medical institutions, including

- Regional Medical Practice
- Local Dental Practice (bilingual)
- Medical Supplies Company
- Pharmacy
- Health Service Company

These examples are intended to provide a starting point for thinking about your own messaging. We are happy to provide additional examples and work with you to tailor your messages to your organization's unique services.
